Dear Sir,

We beg to acknowledge receipt of your letter of the 26th ult. enclosing Money Order 7/6d for the "Watters" priced catalogue. With regard to the yearly subscription for priced catalogues of our Sales, these refer to Numismatic Sales only, we hold these monthly, with the exception of the two summer months. There are usually ten or eleven catalogues in the year, and the subscription includes any large catalogues such as the "Watters" that we have during that period. The Guinea which we charge is less than the cost to us of the catalogues and the postage.

We shall be pleased to send the catalogues to you if you so desire, and we can possibly provide you with catalogues for the past six or seven years if needed.

Yours faithfully,

GLENDINING & CO. LTD.

Dear Sirs:

Through an arrangement made with your firm by Mr. Harrold E. Gillingham, you send us priced catalogues of the auctions held under your auspices. For some reason which I am unable to fathom, this seems to operate so that we do not receive catalogues of these auctions in anticipation of the sale. Through a London dealer we have just received a copy of the important Nordheim collection; but ~~except~~ for this dealer's courtesy in sending it to us we should have had no knowledge of the sale until after it was over. Will you be so good as to make investigation and find out why the name of our Society has been removed from your mailing list.

Very truly yours,

Secretary.

Dear Sir,

We are in receipt of your letter of the 6th instant and much regret that you did not receive a copy of the Nordheim collection from us; the catalogue should have reached you.

With regard to the ordinary sale catalogues, as we hold these sales every month and sometimes twice a month, it would be useless to send catalogues to America as they are not received from the printers, generally speaking, more than a week before the sale.

Yours faithfully,

GLENDINING & CO. LTD.
